| 3. Guitar Vocal   | 9. Banjo Pickup    |
| 4. Banjo Vocal    |                    |
| 5. Bass DI        |                    |
| 5. Bass Mic       |                    |

## Notes:

1. Thank you!
2. Sound will be best if the inputs are set for maximum gain (venue appropriate), then left alone to allow the band to “mix” themselves.
3. We love talkback mics. Don’t be afraid to use it when needed.
4. Thank you!
